Hubbard School Song

Hubbard School our alma mater
Stands a school so proud
Red and white our colors wave
Gallantly unfurl
Onward ever be our watchword
Conquer and prevail
We will be forever loyal
Hubbard School we hail!

Hubbard School Pledge

I will be positive, productive and proud.
I will be respectful, responsible and accountable.
I will believe, achieve and succeed.
I am. I can. I will. I believe in myself.
Excellence starts with me!

Principal's Message

"Insanity is doing the same thing, over and over again, but expecting different results."
Albert Einstein

Young scholars of Hubbard Middle School ... as you make your way through this maze called life, remember to march to the beat of your own drum. Avoid following in the footsteps of those who embrace negativity and blaze your own trail. Believe in the potential of your greatness even when those around you doubt and question why you dream big. Remember that success comes with hard work and how far you go/get depends on the work you've put into your desired goals. Enjoy the days of your youth and remember the moments (good and bad) you experienced at "The Hub". Those experiences build character and help shape who you may potentially become. Remember your days here at "The Hub" with fondness. These days that you are leaving behind are your building blocks for the days, the challenges and the wonderful opportunities that await you. Hubbard Middle School will not be the same without your beautiful faces and smiles littering its halls. You will be missed.

Fondly,
Mr. Kwame W. Asante
Principal
